

Magic Sing Adaptor

The Magic Sing adaptor is essential when you play your Magic Mic karaoke system, as it will provide continuous power to it. It is manufactured with the highest standards for long-lasting and durable usage. If you don't have a Magic Sing adaptor, then your Magic would not work at all. One of its wonderful features is the low consumption of electricity, which essentially means that you do not have to worry about your electric bills at all. The adaptor provides reliable power for the Magic Sing Karaoke microphone to operate for your singing marathon for family and friends to enjoy. It is compatible with almost all types of Magic Sing so when buying one, you don't have to worry if it will work for a particular model or not. All you have to do is decide that you have to purchase one! If outlet is something that you worry about, then let it not be, as this is compatible from 110V to 220V AC outlets too. The adaptor in the package automates voltage regulation, so you may plug it at either 100V or 220V without having to alter any setting. The adaptor also acts as a charger that could carry 3 to 5 hours of battery life to the Magic Karaoke System.
