

Magic Sing Tagalog 7 Song Chip

The Enter Tech Magic Sing Tagalog 7 Song chip is now available for the Magic Sing karaoke users all over the world. This song chip is perfect if you miss your home or are away from family and friends, as it features some of the top tagalog songs worldwide. Packed with nearly 500 songs from various Tagalog and English tracks, it sure would not run out of tracks to choose from. To use it, all you have to do is simply plug and play; and you could now choose your favorite songs from the list. Enter Tech Magic Sing Tagalog 7 Song chip will always let the Magic Sing users have lots of fun and have a memorable moment all the time. Some of the notable artists' songs included are 1-2-8 by April Boy Regino, Ala-Ala by Freddie Aguilar, Alab Ng Puso by Rivermaya and many more. If the embedded songs of Magic Sing karaoke microphones are not enough, the Enter Tech Magic Sing Tagalog 7 Song Chip is the solution. This advanced song chip can instantly add a new selection of 486 most favorite Tagalog as well as English songs. Just insert it into the expansion slot located at the back of the microphone and the included songs can now be accessed.
